Instructor Teaching Guide

A Pedagogical Companion to the Instructor Lesson Notes Handbook

Aligned with the New Ministère de l'Enseignement supérieur Framework (Devis ministériel)

This guide does not repeat the detailed lesson plans, worked examples, and full teacher notes already in the Instructor Lesson Notes Handbook. Instead, it gives you the classroom-facing pedagogy behind the course and a condensed, at-a-glance teaching script for each week that you can keep open during class while the full Handbook stays on your desk for reference.
