This question bank is a complete, ready-to-use exam bank for Business English II, a 15-week, 45-hour college course in workplace and career communication. It is built entirely from the course's own Instructor's Handbook and Course Outline, so every item traces back to a specific unit, grammar point, or evaluation criterion.The bank is organized into three parts that mirror the course's three modules: Units 1 to 5 (researching your value and a real employer), Units 6 to 10 (applying for a real job and analyzing a real organization), and Units 11 to 15 (presenting professionally on that research). Each part covers grammar, vocabulary, reading, listening, writing, and speaking, plus a mixed grammar test, for roughly 195 items in total.It includes eleven full essay prompts, original reading texts with citations, listening activities using the course's real video links, and complete marking guides and evaluation grids for every graded task. Content is scaled across three difficulty pathways (Foundation, Intermediate, Advanced) and sourced only from Quebec, Canada, Asia, Europe, or the Americas.
